

HIGHER LEVEL TEACHING ASSISTANT

PREPARATION AND TRAINING

A Teaching Assistant in a Nursery,
Primary or Secondary school?

Keen to achieve HLTA status and accreditation?

'The opportunities to share knowledge and experiences in discussion with colleagues from other areas – Early Years, KS 1, 2, 3 and 4, has been especially valuable.'

We can help you. Our unique and innovative HLTA North approved programme, designed to both recognise and value the significant contribution you make to teaching and learning in schools, consists of four days HLTA preparation and four days invaluable CPD.

Based in York, we support TAs who work with individuals, small groups and whole classes (without a teacher present) to understand the HLTA Professional Standards, demonstrate them through practice and create a portfolio of documentary evidence that meets all HLTA criteria and prepares them for assessment.

In addition, we deliver training specifically designed to support those leading teaching and learning and managing whole classes.

Assessment, carried out online by an experienced HLTA Assessor (allocated by HLTA North) involves review of portfolio evidence and a series of interviews with HLTA candidates and other nominated staff (there is no observation and help will be available for all).

Candidates **must** have a Level 2 qualification in both English and maths.

Headteachers will be asked to confirm that candidates have demonstrated they are working at an appropriate level and have the capacity to achieve the HLTA standards.

The cost of the course is £1,495. The fee includes the costs of the HLTA North of England assessment.

'The course was really well delivered, felt chilled but was pacy and packed full of information to help us become outstanding HLTAs.'

Please email trainingteam@ebor.academy for an application form or see www.ebor.academy for more details.
